History of Cognitive Psychology by Cognitive Processes

<http://www.muskingum.edu/~psych/psycweb/history/cognitiv.htm> [Retrieved January 21, 2015]

This site is devoted to the history of psychology and Muskingum College. It is continually updated as biographies are completed and new resources are found and developed. Linked to this page are historical reviews of important figures in the history of psychology, Muskingum College and its psychology program, and relevant links to off-campus sites which have been compiled by our students and staff.

Cognitive Psychology by Saul McLeod

Retrieved January 21, 2015 from <http://www.simplypsychology.org/cognitive.html>

Presents topics about cognitive psychology like history, cognitive approach, and critical evaluation.
